Camels Basketball Camp Waiver/Medical Release

In signing this release, I attest and verify that my child has full knowledge of the risks involved with the sport associated with the camp the camper is attending. My child is physically fit and sufficiently trained to participate in camp. To the best of knowledge, my child does not have any diseases or injuries that would medically prohibit the camper from participating in camp. I hereby release and forever discharge Camel's Boys Basketball Camp, its agents and officers, instructors, employees, and CU from any responsibility or liability for recurrence of any pre-existing and undisclosed injury or illness, or any personal injury or property damage sustained by my child during or because of camp participation. I also give permission for any emergency procedures that are deemed necessary for my child during camp.

Note from Coach McGeehan

Dear Parents,

I would like to take this opportunity to invite you to our 2017 Camel's Basketball Camps.

At our camps we emphasize the importance of individual skills to all campers. We try to assist each camper in developing his overall game for the week of camp, and give him the groundwork to improve his game throughout the summer. Our campers drill and compete within their age groups in various skill competitions such as dribbling, passing, shooting and defense.

Beyond individual skill development, we emphasize the importance of team play to all campers. Each coach will implement a camp offense that will require the campers to utilize their skills while learning to play together. The offense will require passing, cutting, and screening by every member of the team to help each player understand the value of team play.

I do hope that you will take this opportunity to attend this year's camp. We have assembled an outstanding camp coaching staff to teach your son the skills and fundamentals of basketball and the value of teamwork.

Sincerely,

Kevin McGeehan
